What is the F260 Reading Plan? The F260 is a Bible reading plan for busy believers that walks readers through 260 foundational passages over the course of a year. It's designed for reading five days a week, giving readers weekends off (with time to catch up if you miss a day).

How do I do the memory verses? The F260 plan highlights memory verses each week to complement your reading as you journey through the Bible year-after-year. The dates assigned for the verse each week are the due dates for when we will recite the verse together as a church in our PM family service.

How do I join in? The F260 plan is easy to use and there is no need to catch up (unless you want to!) No matter what time of the year, you can join in and read along with our church. Simply find the date you wish to begin and start there.
